Pershing 40

PERSHING 40

Perfection at all times: thanks to its mobile spaces, Pershing 40 adapts to all weather conditions. The balance between natural light and the soft-hued interiors creates a welcoming atmosphere that is both bright and comfortable. The blend of essential design elements, lacquered frames and soft colors characterise the design of the living area. Below decks, the elegant and functional layout develops around the magnificent, full-beam owner's suite.
